PYCHARM INSTALLATION

The screenshot shows the JetBrains website's PyCharm download page. The top navigation bar includes the JetBrains logo and links for Developer Tools, Team Tools, Education, Solutions, Support, and Store. Below this, a secondary navigation bar features 'PyCharm' as the active section, with a sub-link for 'JetBrains IDEs'. To the right of this bar are links for 'Use Cases', 'What's New', 'Features', 'Learn', 'Pricing', and a green 'Download' button. The main content area has a white background and contains the following text:

Thank you for downloading PyCharm!

Your download should start shortly. If it doesn't, please use the [direct link](#).

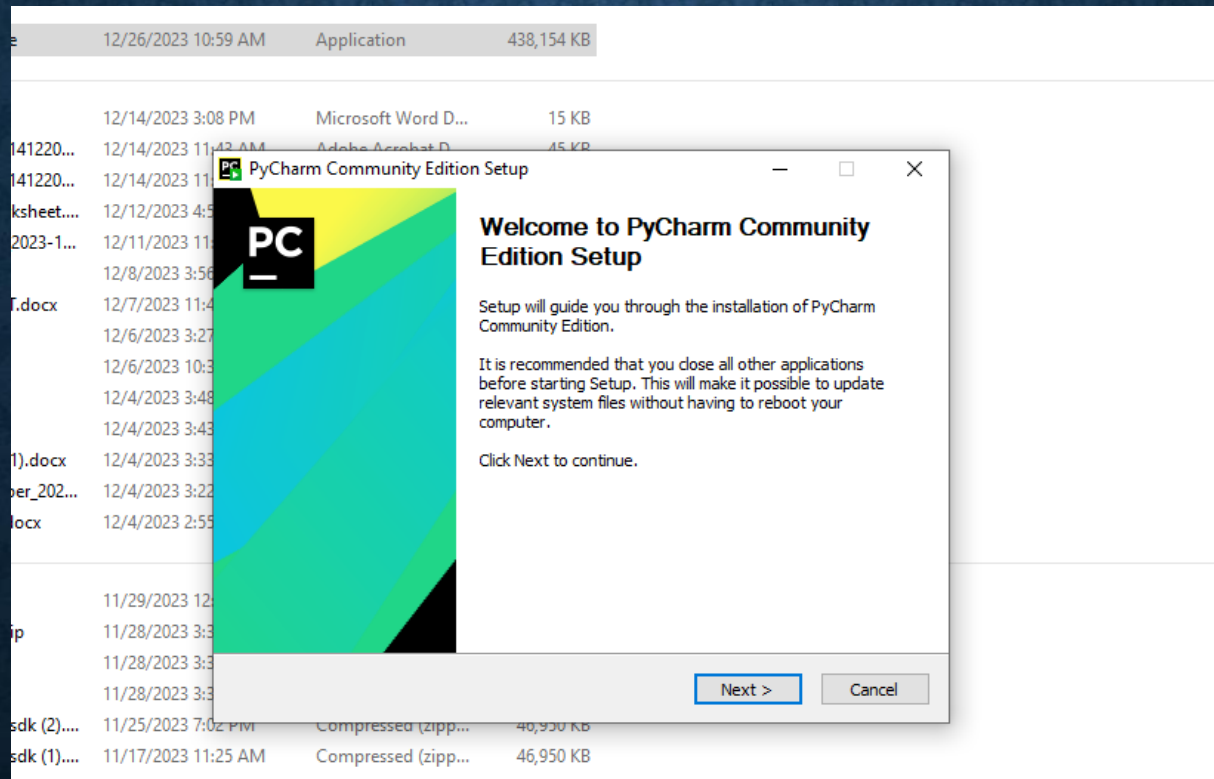

Download and verify the file [SHA-256 checksum](#).

The bottom section of the page has a dark background. It features the heading 'Upgrade your coding game!' followed by a paragraph: 'From web development to data science, PyCharm Professional equips you with the tools to work with databases, frontend, remote hosts, Jupyter notebooks, and much more. Try it now and get more work done.' Below this text is a white button that says 'Try PyCharm Professional!'. On the right side of this dark section, there is a decorative graphic with yellow and green geometric shapes and a small, partially visible cookie consent notice.
